O R D E R

On August 17, 1992, Equal Access Corporation filed a complaint with the Commission against GTE South Incorporated ("GTE South") alleging unreasonable billing practices. On August 31, 1992, the Commission ordered GTE South to satisfy or answer the complaint. GTE South filed its answer on September 10, 1992. The parties were ordered to serve interrogatories, to prepare prehearing memoranda, and to notify the Commission of objections and any motions by October 19, 1992. A formal hearing was scheduled for October 23, 1992. Equal Access Corporation and GTE South each filed a prehearing memorandum.

Prior to the public hearing, the Commission was notified that the parties had reached a settlement of all issues. The Commission, based on these representations, canceled the public hearing by Order dated October 23, 1992. To date, Equal Access Corporation has not filed its proposed settlement of the complaint. The Commission, on its own motion, having reviewed the record,

HEREBY ORDERS that this complaint be dismissed with prejudice to Equal Access Corporation filing a complaint which addresses the identical issues.

Done at Frankfort, Kentucky, this 26th day of January, 1993.
